

NORTHWEST HOCKEY LEAGUE RULES AND REGULATIONS

I. LEAGUE STRUCTURE

A league structure of games shall be conducted for the classifications as defined by USA Hockey and the Amateur Hockey Association of Illinois (AHAI). Should a conflict exist between NWHL Rules and USA Hockey Rules, the most restrictive will prevail.

II. LEAGUE ADMINISTRATION

- A. The designated Organization Representative (or alternate acting in his/her behalf) shall be responsible for overseeing the conduct of all NWHL games at their respective teams home arena(s). Included among the responsibilities are: checking player and team official status (i.e., eligibility, suspensions, etc.) and notifying the Conduct Committee of any and all matters of concern regarding the efficient, fair and sportsmanlike conduct of the NWHL. The Organization Representative (or alternate) must be present at all monthly League meetings. No representation at more than two meetings in a season will result in a fine. The person representing an organization must have access to an email address so information can be forwarded to them in a timely manner.
- B. So that a current league standing record may be made available, the home team shall be responsible for mailing or faxing a copy of the score sheet to the NWHL Statistician in accordance with the procedure set forth by the Board. The official record shall be the game score sheet; points will only be awarded upon receipt of the score sheet by the League Statistician Office. The NWHL shall in turn, compile and compute results and standings for the respective divisions and post them on the League website.

C. FEES

The level of fees will be reviewed and approved by the Board annually prior to the start of the season.

1. Participation Fees to cover weekly league standings shall be assessed to each organization based on the number of teams registered in the league. **These fees will be included with, and invoiced as a portion of the NWHL Tournament fee.**
2. A scheduling fee will be paid by each participating organization based on the number of home games scheduled in the season. **This fee will be billed by, and paid to, the scheduler/statistician designated by the NWHL. Invoices for this fee will be distributed to member club representatives no later than the October general membership meeting. Payment of fees will be due by the November general membership meeting. NWHL will assess a fine of \$100 for late payment. If the fee is not paid by 12/1 there will be an additional fine of \$150. If additional fees are owed for silver mites after 12/1, those will be billed separately.**
3. If for any reason a game is rescheduled **more than 6 days** after the NWHL scheduling meeting, a rescheduling fee **of \$25** will be assessed. ~~Such fee will be assessed to the home team (as defined in the original NWHL schedule) on a game-by-game basis.~~ The rescheduling fee will be assessed to the team initiating the request. All rescheduling fees will be included, and itemized, on the year end club invoice. It will be the responsibility of the club to pay all fees. If it is not clear to the scheduler who initiated the request the home team (as defined in the original NWHL schedule) will be responsible for the fee.

4. NWHL Tournament fees will be assessed to each organization based on the number of teams that participate in the regular NWHL season. Tournament fees will be based on a proportional allocation of the total cost of the tournament. Said fees will be set by the Tournament Committee and approved by the Board in January prior to the Tournament. All Tournament participation fees, **as well as any additional fees or fines** must be paid in full by the deadline designated by the NWHL Board. Failure to pay will be considered as refusal to compete.
5. Referee fees are paid by the participating organization directly to the referee scheduling service.

III. TEAM REGISTRATION

- A. Commitment of teams to the NWHL shall be made in writing prior to the September board meeting, or as otherwise prescribed by the Board.

Roster changes shall be made in accordance to these rules and the rules of AHAI and USA Hockey.
- D. All teams must submit approved, typed copies of the AHAI and USA Hockey Team Registration Forms to the Vice-President by the November Board Meeting. Each team should have a copy of their AHAI roster for all NWHL games.
 1. Signed/registered rosters are due at the November board meeting. Clubs that do not turn in rosters by this deadline will be assessed a fine of \$100.00 for each day that the rosters are late. The clubs teams will not be allowed to participate in any NWHL games until the rosters have been turned in and the club will be fined \$500.00 for each game forfeited. As long as all rosters and payments have been recorded with the USA hockey registrar, then no fines will be assessed.
 2. Once the tiering is done in November, no player may be added to a roster without a written request from the club representative to the NWHL board explaining the reason for the late addition. Once approved, signed/registered supplemental rosters are due within three weeks. This rule does not apply to Silver Mites since teams are still forming.
- E. Movement by any player(s) from one NWHL team to another NWHL team in the same season shall be allowed only with the written consent of the Clubs NWHL Representative and accepted by the NWHL Board. Movement by the player from one club to another in the same division, same season, without the written permission of the Clubs NWHL Representative from the club losing the player, may result in the immediate end of league play and the suspension of all points won and lost by the offending team.
- F. Whenever an organization has two or more teams at a given level, the NWHL draft system must be employed to pick teams at equal ability and strength.

- G. The NWHL discourages the recruitment of teams or players from one organization to another. When there is a group of players transferring from one club to another no more than 5 players can stay together on one team. If there are 6 or more players from one club they will have to be divided evenly among teams at that level, i.e. if 6 squirts transfer to a new club which has two squirt teams, 3 players will be placed on each team. 6. Participation in the NWHL tournament requires that a player has played with the team for 75% or more of NWHL regular season games that the player is eligible to play. The board would consider exceptions to this rule upon written request by the club representative. Example of an exception is injury or recently moved into the area from out of state, etc.
