

HOCKEY CLUB

2010-2011 Registration Packet

Everything you need to register with the Chicago Bruins Hockey Club for the 2010-2011 Fall Season is contained in this packet.

Please print this entire packet and follow the directions carefully.

Dear Bruins Member,

Welcome to the 2010-2011 season. If you are new to the Bruins organization, let us be the first to welcome you. If you are a returning member, it's good to have you back.

After careful review and comparison to comparable hockey programs in our area, the Chicago Bruins are happy to once again offer a very competitive fee structure for best-in-class coaching, training, ice times, and facility.

There are several fee reduction opportunities this year – especially on Bruins Day. We encourage everyone to take advantage of as many opportunities as possible. The club's main fundraiser this year is included in the player fee. Each player will receive 20, \$10 raffle tickets sometime in October. Once a player sells their tickets, the proceeds are theirs to keep. This allows each to player to **lower their player fee by \$200**. If you do not want to sell the tickets, you can enter yourself in the raffle prize drawing.

In addition to the player fee, each family, excluding Jr. Bruins, is required to pay a \$200 Volunteer Obligation Deposit. This deposit is refundable once your family fulfills its 10 hour volunteer obligation. Please see the Volunteer Obligation Form in this packet for details.

The Bruins requires each player, other than Jr. Bruins, to have a full uniform set. This includes a home and away jersey, Bruins pant shell, and home and away game socks. New game socks will be provided by the club. If your player needs a new jersey(s) or pant shell or you are new to the club, please complete the Jersey Order Form in this packet and return it to the pro shop by September 13th.

We have established better payment methods to ensure that members are not late with payments and the club is not burdened financially. Please see the Payment Method Agreement Form in this packet. This form must be completed and proper payment submitted at the initial team meeting.

Bruins Day is July 17th from 10:00-3:00 at the rink. There will be a free open skate, free Learn-to-Skate instruction, free food, equipment swap, bago tournament, guest appearances and BIG DISCOUNTS. If you pay the \$400 Registration Fee on this date, the \$185 conditioning clinic is FREE. If you pay your player fee in full and put down your \$200 volunteer deposit, you will receive a 5% discount off of the player fee. If you pay the \$125 travel tryout fee on Bruins Day, you will receive a 40% discount off the normal \$175 tryout fee.

We look forward to seeing everyone around the rink. In the meantime, enjoy the rest of your summer; hockey season is right around the corner.

Sincerely,

Chicago Bruins Hockey Club
Board of Directors

****NWHL Power Skate Fee**

The NWHL fee DOES include skills sessions with Alfie Turcotte, but does NOT include Power Skate. Power Skate for NWHL players can be purchased separately for \$500. This fee must be paid in full at the initial team meeting.

Goalie Discount

Full-time goalies receive a 40% discount off the player fee.

\$200 Fee Reduction Opportunity

Included in each player's fee are 20, \$10 raffle tickets. These will be given to each player sometime in October. Once a player sells his/her 20 raffle tickets, they keep the proceeds. This provides an opportunity for each player to reduce their fees by \$200. If a player chooses not to sell all tickets, they can enter themselves in the raffle prize drawing. Jr. Bruins players will receive only 10 tickets.

Game Jerseys/Uniforms

Each Chicago Bruins player, excluding Jr. Bruins, is required to have a full uniform set. This includes both home and away jerseys, Bruins pant shells, home and away socks. New jerseys and pant shells are NOT included in the above fees and must be ordered in the Addison Pro Shop by September 13th and paid for separately. Players with even birth years must pick an available even number. Players with odd birth years must pick an available odd number. We will do our best to accommodate new number requests, but reserve the right to pick a number based on availability. New game socks and helmet stickers will be provided by the club at no additional cost.

Dinner Dance

Each family will receive two tickets for the Bruins Dinner Dance on November 12th. If a family has multiple players in the organization, they will still only receive two dinner dance tickets per family. To purchase additional dinner dance tickets, please contact the Director of Fundraising and Events - fundraisingandevents@chicagobruinshockey.com. Jr. Bruin families will also receive two tickets.

Volunteer Obligation Deposit (NOT included in player fees)

Each family is required to put a \$200 refundable deposit towards the volunteer program, which will be collected with the registration fees. The \$200 is fully refundable once your family has reached its 10 hour volunteer obligation to the organization. If a player still has a balance when their obligation is fulfilled, the \$200 will be deducted from the remaining balance. If a player is paid in full, a \$200 refund check will be issued at the end of the season. Jr. Bruins are not required to pay a deposit.

We do realize that not every family is in the position to volunteer, so we offer a buy-out option. You may exercise this option by simply making a donation of \$200 to the Chicago Bruins Hockey Club to be submitted with a signed volunteer form.

Returned Checks/Denied Credit Cards

Each player must commit to payment in full at the initial team meeting. This can be done by paying in full, post-dated checks, or preauthorized credit card payments. If a check is returned because of non-sufficient funds or a credit card payment is denied, a \$25 fee will be assessed. The player will be immediately suspended from all club privileges until the account becomes current.

Conditioning Clinics (FREE if Reg. Deposit is paid on Bruins Day)

The Bruins are offering at least eight preseason conditioning sessions starting August 15th. If you pay your non-refundable registration deposit on Bruins Day, July 17th, all conditioning sessions are FREE. **The cost of the full conditioning clinic after 7/17 is \$185.** The “pay-as-you-go” cost is \$30 per session.

Travel Team Tryout Costs (40% discount if paid on Bruins Day)

Any player trying out for a travel team will be required to pay a full tryout fee. The cost is \$125 if payment is received on or by July 17th – Bruins Day. **The travel tryout cost after 7/17 is \$175.**

Chicago Bruins 2010-2011 Volunteer Obligation Form

The Chicago Bruins Hockey Club is a not-for-profit organization that relies on its volunteers to operate effectively. For the 2010-2011 season, we are implementing the following Volunteer Obligation Policy. Each family will be required to put a \$200 refundable deposit towards the volunteer program, which will be collected with the initial registration fee. The \$200 is fully refundable once your family has reached its 10 hour volunteer obligation to the organization. If a player still has a balance when their obligation is fulfilled, the \$200 will be deducted from the remaining balance. If a player is paid in full, a \$200 refund check will be issued at the end of the season.

We realize that not every family is in the position to volunteer, so we offer a buy-out option. You may exercise the buy-out option by making a donation of \$200 payable to the Chicago Bruins Hockey Club to be submitted with the attached volunteer form.

There are a limited number of positions available on certain committees. Volunteers will be accepted on a first-come-first-served basis. If a chosen committee is full, a volunteer will be offered another position on a different committee.

Each family will be required to volunteer at least 10 hours of volunteer work for the club, beginning with Bruins Day and ending with spring tryouts and registration.

Rostered Assistant Coaches (up to two per team) and rostered Team Managers (one per team) will automatically fulfill their 10 hour obligation once they have been in the defined role for the duration of the season. Any assistant coach or team manager that does not fulfill their obligation for the entire season will forfeit their \$200 deposit and no refund will be issued.

The 10 hour volunteer obligation will be fulfilled for anyone that is selected to be the Chicago Bruin's league representative for each of the following leagues - Northern Illinois Hockey League (NIHL), Northwest Hockey League (NWHL), and Central States Development Hockey League (CSDHL).

Clock/Score Keepers receive partial credit for volunteer hours. Clock/scorers will receive a maximum of 5 volunteer hours.

The Director of Volunteers is the board member responsible for overseeing the Volunteer Obligation Policy. volunteer@chicagobruinshockey.com

I, (family representative) _____, whose primary telephone # is _____ and primary email is _____ have read the Chicago Bruins' Volunteer Obligation Policy and fully understand the importance of our family participating in the Chicago Bruins Volunteer Program. In order to fulfill our volunteer commitment, I/we choose to:

I/We make a commitment to the volunteer program. I understand that this payment serves as a deposit only and will be returned to me after my family has completed our 10 hours of volunteer service. In addition, I understand that if my family does not complete our 10 hours of service by March 31 of next year, I/we will forfeit the full \$200.00 deposit, and no refund will be issued. I want to be considered for the following position/committees:

- Rules & Ethics Committee
- Team Manager (*requires head coach approval*)
- Conditioning Clinic Sign-In
- Travel Team Tryouts Helper
- Jr Bruins Committee
- League Representative (NIHL, NWHL, CSDHL)
- General Fundraising
- Silver Stick Tournament Helper
- Dinner Dance Helper
- Advertising & Promotion Committee
- Supplies & Equipment Coordinator
- Picture Night Helper
- Banquet/Awards Committee

The volunteer obligation policy is managed through the "honor system." Each family will track their own hours. Once they fulfill their ten hours of volunteer time, they should report it to their team manager. The team manager will sign off and provide confirmation to the Director of Volunteers.

I/We waive our volunteer obligation to the Chicago Bruins by donating \$200.00 to the volunteer program.

I/We have read and fully agree to the payment terms and conditions of the Chicago Bruins Hockey Club as specified above.
