

Panther Instructional Youth Hockey

Skill-building and competitive fun for the aspiring hockey stars of all ages and levels.

Learn The Game !

Our **Panther Paws** classes cover hockey basics for youngsters ages 3 and up. Classes meet for 30-45 minutes and work on skill development through drills and on ice games. We end the session with a cross ice game on the big ice.

The **Junior Panthers Program** is dedicated to cultivating youth hockey talent through skill development on the Studio and Main Arenas. This will be done in a fun, competitive atmosphere with the introduction of cross ice games.

Both programs will run concurrently on Sundays for 13 weeks.

**Helmet with face mask required for ALL students.
 Hand protection and a stick required for Junior Panthers.**
